Prepared. For Life.™

Head Start and Early Head Start

♥ Our SCUFFY agencies serve ALL Shelby County citizens from every walk of life and various income levels. You, or someone you know, has probably participated in programs and benefited from one of our SCUFFY agencies.

♥ SCUFFY is run by local volunteers with only two paid employees. Through our low administration costs, we make sure that at least 80¢ of every dollar donated goes to our thirteen agencies and the work they do in Shelby County.

♥ SCUFFY funding to its member agencies provides for a variety of services in youth activities, services and programs for our Shelby County seniors, domestic violence assistance, emergency assistance, as well as many other family, adult and child related programs. These organizations are continuously responding to meet current and emerging needs in our community. Your gift allows the agencies to both continue and expand their services, improving the quality of life for everyone in Shelby County.
